Father Jim's Wise & "Otherwise"

Anointing of the Sick is not the Last Rites
Anointing of the Sick is a sacrament administered to a baptized Catholic "who has reached the age of reason" and is in a weakened condition as the result of a serious illness, accident, old age, or administered in anticipation of surgery.

A common misconception regarding this sacrament is the belief that it can only be administered to those near death, which is incorrect. The sacrament can be administered whenever there is a serious concern regarding the health of a baptized Catholic and can be administered more than once in a person's lifetime, if circumstances dictate a need.

The sacrament is to bring healing, both spiritual and physical, and to bring God into the process of healing by forgiving a person's venial sins. At Mount Carmel / Blessed Sacrament, it is offered every First Friday of the month at 8:30 a.m. Mass.

Friends and family members in attendance are asked to pray for the sick as the priest anoints the forehead and hands of the sick person with the oil of the sick, which is olive oil that has been specially blessed by a bishop during Holy Thursday services.

The anointing of the sick bestows a special grace on the recipient that brings comfort, strengthens the soul and eases anxiety, fear and doubt. The anointing of the sick also brings to the recipient a sense of peace.
